December 6, 2018

7:00 pm

**Harrison Avenue
School 480 Harrison
Avenue Harrison, NY**

Check out "The Center"

<https://thecenterfordiscovery.org>

It's been 10 years since

Cris Spinner asked this group of incredibly generous and talented friends to come together and make music in honor of her son Anthony and those who's lives are touched by Autism. We've been joined by many others who have contributed their talents to the Voices Heard project over the years and we are so grateful!

Please come support Cris and her amazing posse! We guarantee an amazing evening of joy, peace, love & music!
